* **THE HON. SRI R. VENKATARAMAN :** Mr. Deputy Speaker, Sir, I wish to make the following statement.

At the beginning of the current year (1964-65) there are 130 posts of B.T. Assistants vacant in the North Arcot district. The vacant posts are 48 posts of B.T. Mathematics Assistants, 55 posts of B.T. Science Assistants and 27 posts of B.T. Assistants for Social Studies. A few vacancies have occurred on account of opening of additional new standards and additional sections in the higher standards. Additional sections have to be opened this year on account of the rush of admissions in the IX standard due to the wholesale promotion of VIII standard pupils of the Higher Elementary Schools in the district and on account of the abolition of E.S.L.C. Examination conducted hitherto. The vacancies pointed out were however filled up by posting the qualified B.Ts., failed B.Ts. and Graduates from the list of candidates recommended by the District Employment Officer, Vellore. Out of 130 vacancies, 101 have so far been filled up. The remaining vacancies yet to be filled up is 29. This is due to the fact that some of the candidates who were posted, did not join duty for some reason or other. There is already dearth of qualified Mathematics and Science B.T. candidates and the vacancies could not be filled up then and there. Steps are also being taken to post the candidates nearer to their native places. The District Employment Officer, Vellore and other District Employment Officers have also been addressed to recommend as many candidates as possible, to fill up the few vacancies pointed above. These vacancies will be filled up as soon as the candidates are sent by the Employment Exchange. It may also be mentioned in this connection that untrained graduates were also deputed for B.T. Training and with completion of such training, it is hoped that the deficiency of teachers will be overcome shortly.
